Hello everyone,

Kristine and I wanted to pass on the latest RAO revision set to you for your information and review. Transparency revisions to RAO #3 were made which we believe makes the intent of this RAO more clear. We have to qualify these revisions in that they are undergoing EPA-HQ review, but felt that as this review is still underway that we didn't want to take that out of your review time.

Hope to see many of you next week at the fox tower on Wednesday morning and have a good weekend.
